## PETITION IN OPPOSITION TO A QUIKTRIP PROPOSED FOR 3812 and 3822 SUMMIT, KANSAS CITY, MO. To: Councilmember Katheryn Shields, Councilmember Eric Bunch, Mayor Quinton Lucas

I oppose the location of a QuikTrip at 3812 and 3822 Summit. I urge you to assist in stopping this project from moving forward. This piece of property is extremely important to the surrounding neighborhoods of Roanoke, Volker, Coleman Highlands and Valentine, because of its potential impact on traffic, its effect on nearby property owners, and its competition with local businesses. I will join my neighbors in doing all I can to stop this project.
